

*We Lead*

*to claim our sexual and reproductive health and rights*

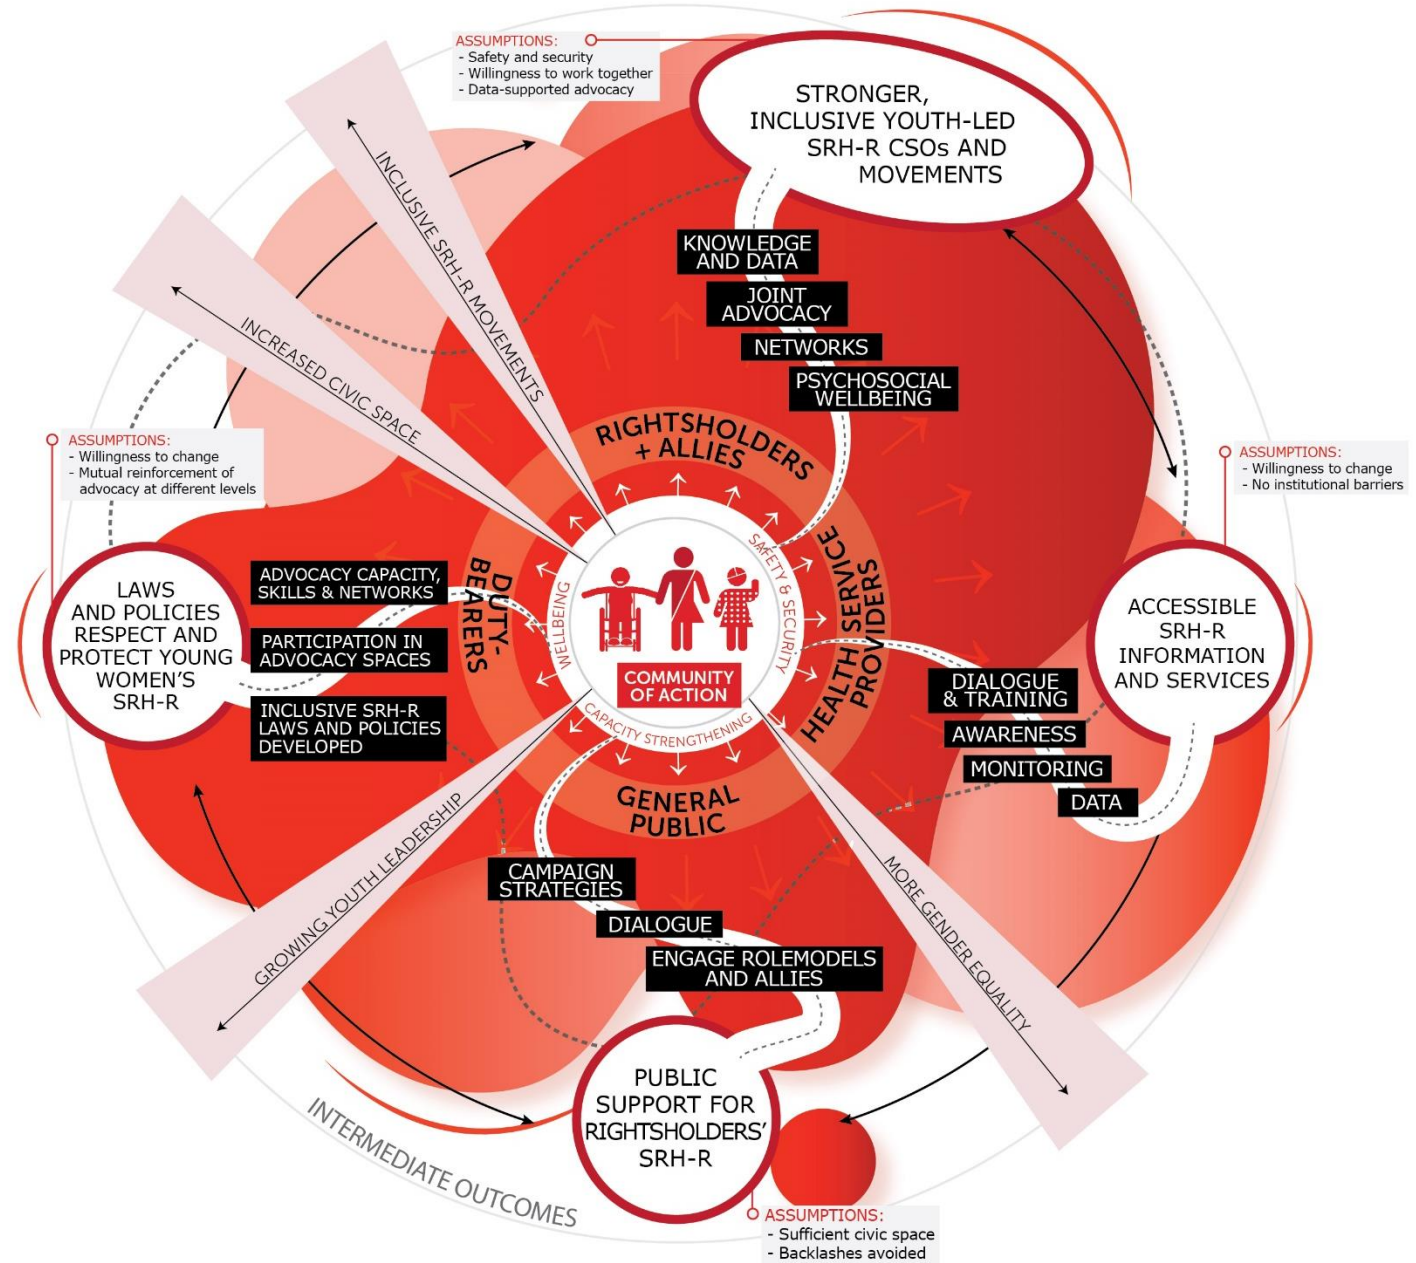

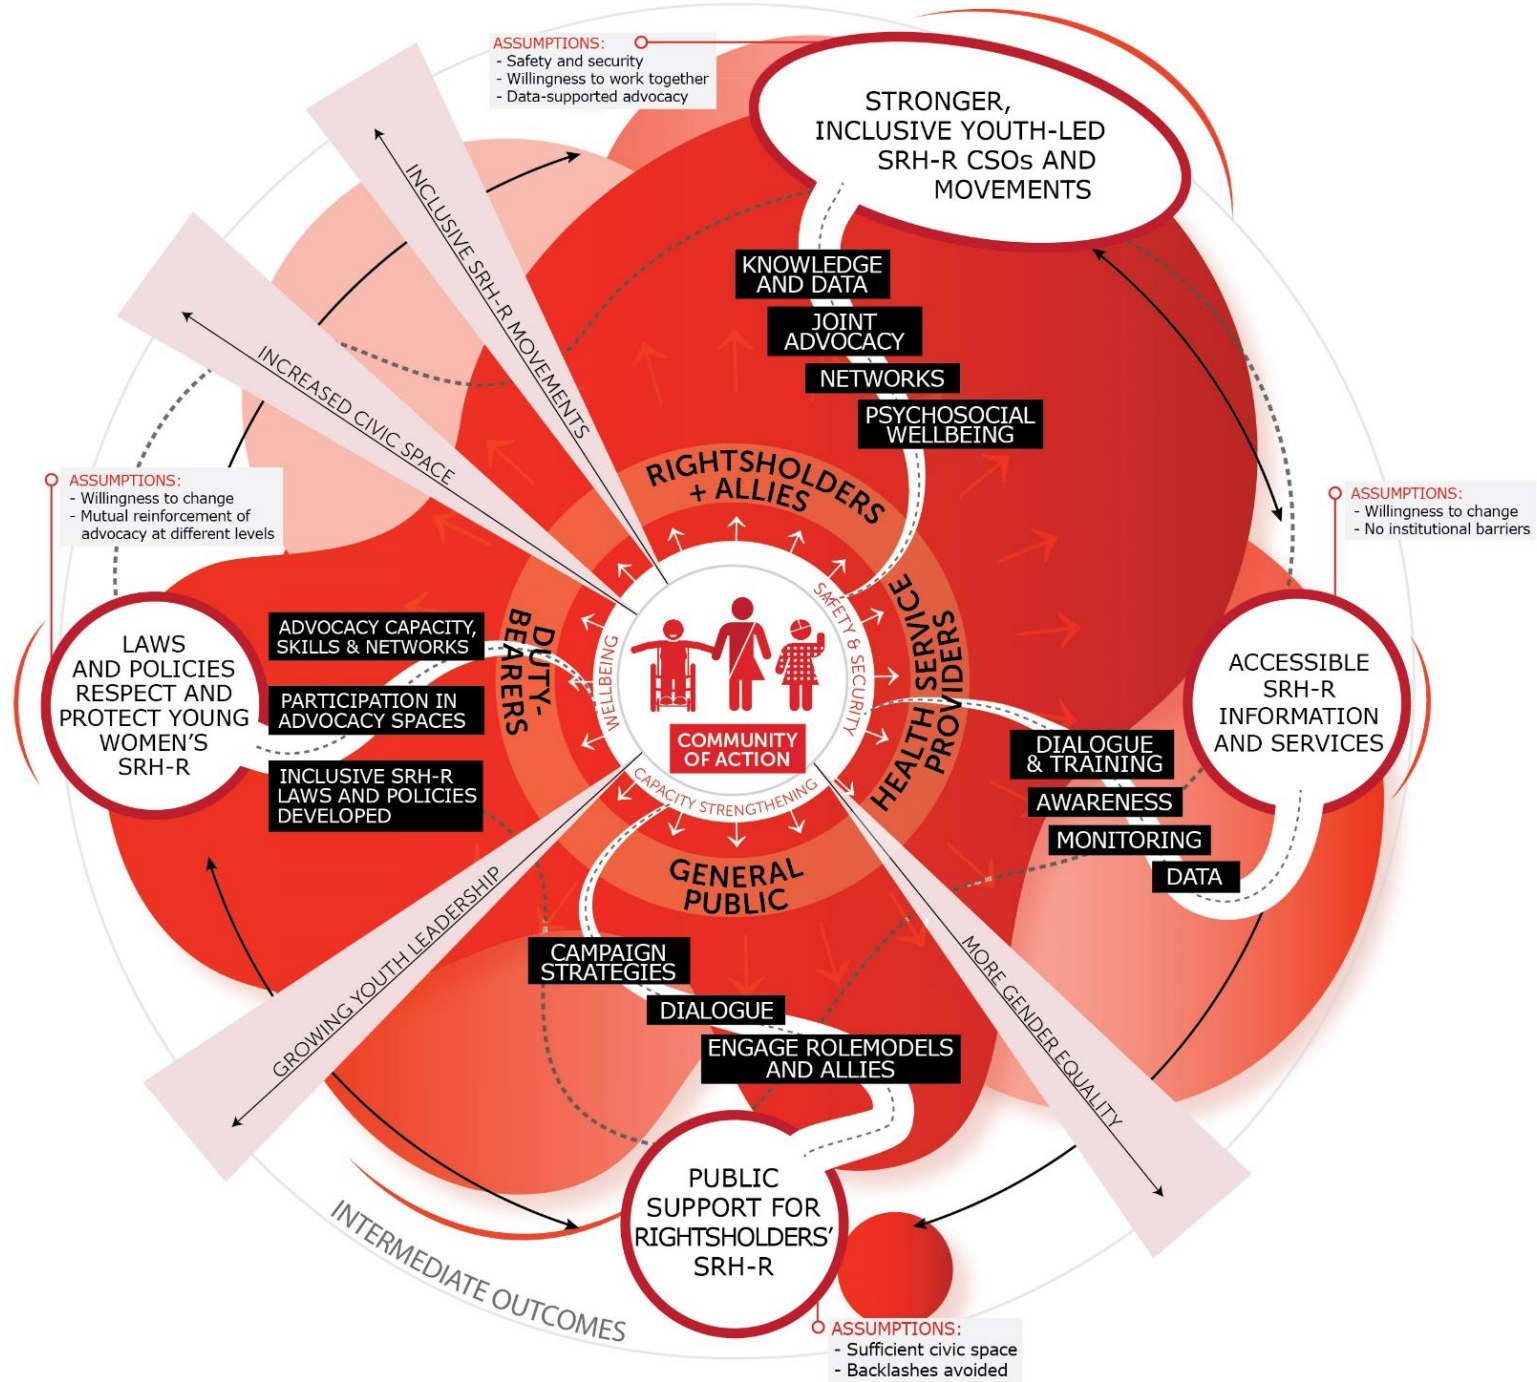

# Nothing about us without us

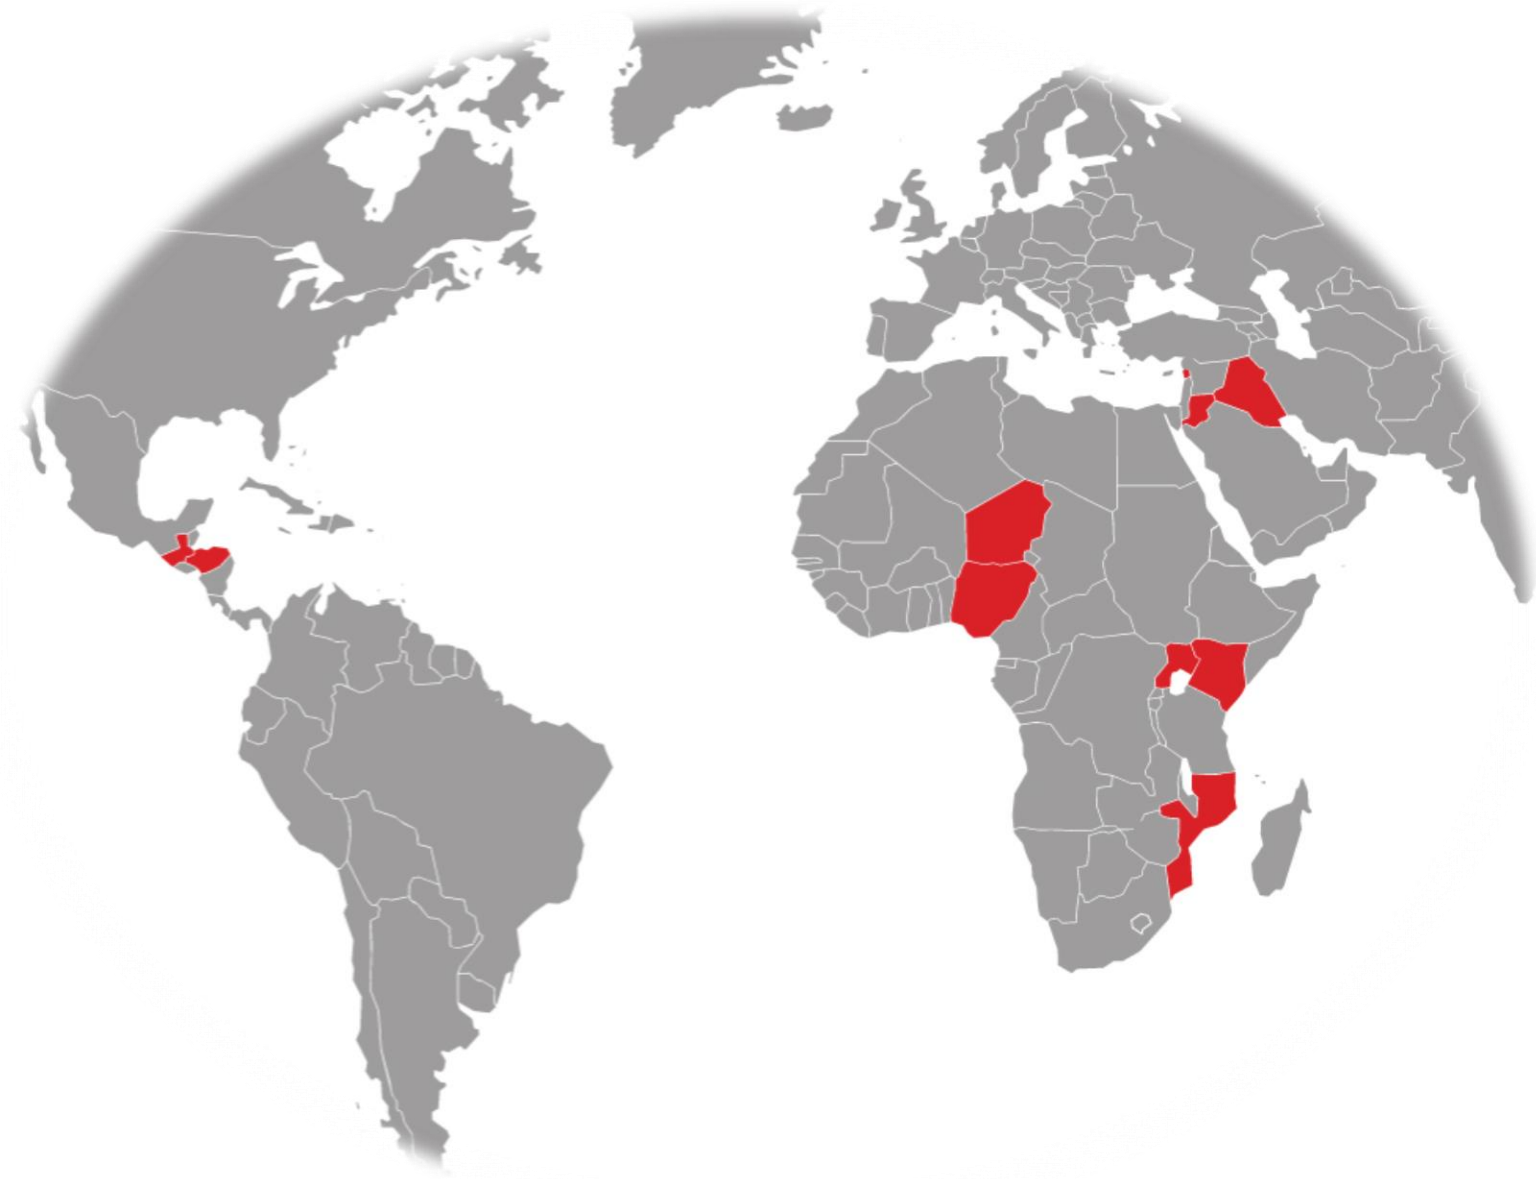

## Centre stage:

Young women & adolescent girls

- Living with HIV
- Identifying as lesbian, bisexual, trans or intersex,
- With a disability
- Affected by displacement

## *Where...*

Kenya  
Uganda  
Nigeria  
Niger  
Mozambique  
Lebanon  
Jordan  
Guatemala  
Honduras

*Let's make it happen!*

So that by 2025 resilient young women can claim their sexual and reproductive health and rights, and that these are recognised and respected by society.
