

About Hivos

Hivos is an international **development organization** that helps build social movements that **strive for just, inclusive and sustainable societies**.

Our collaborative efforts extend across the **Middle East, Africa, Asia, and Latin America**, with a focus on three pivotal impact areas:

**Gender Equality,
Diversity & Inclusion**

Climate Justice

**Civic Rights in
the Digital Age**

About GreenWorks

GreenWorks contributes to a Just Green Transition by supporting local climate change adaptation and mitigation solutions.

The program creates and sustains jobs for **9,000 young women and men** in both the green and technology sectors in North Africa (Egypt, Tunisia and Algeria).
